

## Crestone Artists' Studio Tour and Sale

Dec 5 & 6, 2009 1PM to 6PM

Crestone artists open their studios at the base of the Sangre de Cristo Mountains for an intimate experience in art, gifts, food and conversations with the artists. Visit [www.crestonestudiotor.com](http://www.crestonestudiotor.com) for a printable map and information on the artists, or contact Deana Wilfong at 719.256.5252.

Start your weekend with an evening of live music from Steve Storm at Shumei International Institute. Storm's intricate finger-style guitar is stunningly heart-felt. Friday Dec. 4th at 7pm, \$10 suggested donation. All proceeds benefit the artist. Shumei is not part of the tour on Sat. or Sun. For more info visit [www.shumeicrestone.org](http://www.shumeicrestone.org), [www.stevestorm.net](http://www.stevestorm.net), or call 719.256.5284.
